LET THERE BE LIGHT!

In today's busy market, it is important that your message stands out from the crowd. That's why you'll be pleased to hear that we specialise in the design and manufacture of captivating back-lit display solutions. Custom built to precise specifications using our modern and state-of-the-art automated machinery, you can be sure that your signage will stand above the rest - whilst at the same time reducing your carbon footprint with our energy efficient and cost-effective LED lighting technology.

Providing further peace of mind, our products are all built to the highest Australian standards, and come with a 12 month warranty. We also stock standard sizes and offer delivery to most cities around Australia.

SHINE A LIGHT ON YOUR MESSAGE

We are proud of our extensive range of light box options and offer our valuable clients a wide selection of quality products – all designed to suit their varying needs. From free standing, ceiling mounted and external light boxes to wire suspended, wall mounted or display stand options, let Snapper Display Systems illuminate your message.

FRAMING TECHNOLOGY

Snapper's range of light boxes raises the bar on quality frame provision. Using either back-lit or edge-lit technology, posters are transformed into eye-catching visual displays.

BE SEEN AT ANY TIME

Light boxes are one of the most effective new advertising technologies on the market – they just work. If you are looking for that added edge over your competition, give us a call and enquire about our extensive range today.

THE CHOICE IS YOURS

If you have a particular design or colours that you need manufactured, you will be pleased to hear that we can design our products to meet your specifications. Snapper Display Systems can produce a variety of designs, colours and dimensions that will make your illuminated message truly unique. The only limit is your imagination!

MANUFACTURED TO MEET YOUR REQUIREMENTS

CUSTOM OR STANDARD LIGHT BOXES AUSTRALIA WIDE

If you have crafted the perfect message or created the perfect design but are unsure as to how to display it, Snapper Display Systems Custom Solutions will help.

Our friendly team boast extensive knowledge and experience in providing customised framing and signage solutions that will enable you to maximise your message and impact - Simply tell us the specifications and we will do the rest.

Digitally printed translucent graphics illuminated with opal acrylic or polycarbonate faces mean that light boxes are an extremely flexible format, one that can be custom built to your specifications. Snapper Display s can supply light boxes in all formats, from slimline edge- lit for retail display to double-sided under awning light boxes, wall -mounted light boxes, and flexface illuminated billboards.

Light box Signs are a uniquely effective way to enhance your brand and draw attention to your business. Outdoors, our products are commonly used under awnings and in high-traffic areas, making you easy to find, any time of the day or night.

We use the most up to date waterproof LED lighting technology which results in extremely low operating costs. Also ideally suited for internal use, our signs can highlight your brand or message above counters and reception areas, giving your brand a polished and professional look.

Over the years, we have yet to encounter a project we can't produce, so give us a call today and see why Snapper Display Systems are Australia's preferred light box display manufacturers and suppliers.

SNAP FRAMES

CUSTOM OR STANDARD - ANY COLOUR - ANY SIZE - ANYWHERE

T 1300 727 950 • E sales@snapperdisplay.com.au • W Snapperdisplay.com.au

SNAP TO AN EFFECTIVE FRAMING SOLUTION

Snap your poster into place in one of our Snap Frame solutions. Our snap frames come in a variety of sizes from A5 to A0 with a choice of corner profiles and an affordable price tag suitable for any budget.

By snapping your poster into one of our front loading aluminium frames you are ensuring their safety and readability. Our frames hold your posters securely and neatly and are suitable for interior and exterior use.

THE CHOICE IS YOURS

If you have a particular design or colour that you need manufactured, you will be pleased to hear that we can design our products to meet your specifications. Snapper Display Systems can produce a variety of designs, colours and dimensions that will make your message truly unique. The only limit is your imagination!

CUSTOMISE YOUR SNAP FRAME

If you have something special that won't fit into an ordinary frame don't worry! We can design and create a snap frame perfect for your individual needs. We want to get your message read.

LOCK YOUR MESSAGE IN

Our lockable snap frames stop unauthorised access to your advertising material. Featuring locks or Allen key these indoor or outdoor frames hold your posters flat and secure.

POSTER FRAMES

CUSTOM OR STANDARD - ANY COLOUR - ANY SIZE - ANYWHERE

T 1300 727 950 • E sales@snapperdisplay.com.au • W Snapperdisplay.com.au

SNAP TO AN EFFECTIVE POSTER FRAMING SOLUTION

Snap your poster into place in one of our Poster Frame solutions. Our poster frames come in a variety of sizes from A5 to A0 with a choice of corner profiles and an affordable price tag suitable for any budget.

By snapping your poster into one of our front loading aluminium frames you are ensuring their safety and readability. Our frames hold your posters securely and neatly and are suitable for interior and exterior use.

BEING SEEN COSTS LESS THAN YOU THINK

Our poster frames offer affordable solutions for large scale poster display. Designed and created for ease of use, our range of poster frames feature magnetic closure, with no obvious opening mechanism for added security.

Ideal for indoor and outdoor use, we also stock lockable frames, magnetic peel face frames and ultra slim frames in standard sizes up to A0, and can manufacture certain frames in custom sizes and colours should you require.

THINK THIN

At only 10mm thick, our sleek poster frames feature a contemporary design that will not date and have no visible supports or fixings. Our poster frames can be mounted in portrait or landscape configuration and our unique, fast pull-down poster cartridge system makes it easy to change your advertising material as required.

Manufactured from aluminium to the highest specifications, our frames are weather resistant, corrosion free, and feature a clean, simple, professional design.

CUSTOMISE YOUR POSTER FRAME

Need something a little bit different? If you have a poster that doesn't quite fit into one of our stock frames, don't worry. We can design and manufacture a frame to suit your needs.

DISPLAY SYSTEMS

CUSTOM OR STANDARD - ANY COLOUR - ANY SIZE - ANYWHERE

T 1300 727 950 • E sales@snapperdisplay.com.au • W Snapperdisplay.com.au

Flexible enough to adapt to whatever promotion or sale your business is featuring, our display systems incorporate different accessories to best complement your business, such as poster holders, brochure holders or banners. This means that by having just a few of these versatile free-standing displays on hand, you can cover a huge range of shop, office or showroom advertising needs.

Our exhibition stands, retail displays, and other display systems are easily height adjustable, while our exhibition stands have a cast iron base, providing plenty of weight to stop your stand from toppling over by accident.

Our display systems make a great addition to your existing shop fittings and the quality design ensures that they will be ideally suited to any location.

VERSATILE FRAMING FOR EVERY SITUATION

If you are looking for a display stand, look no further than Snapper Display Systems. Boasting quality manufacturing and a sleek and professional look, our product range covers menu stands to stainless steel poster stands. Multi-award winning and patented, our freestanding Pole Display Stand is extremely fast and simple to install, easily updateable and is more economical than wire or rod display systems.

We also stock lockable frames, magnetic peel face frames and ultra slim frames, for interior and exterior use. We carry stock in standard sizes up to A0, and can also manufacture frames in custom sizes and colours.

LOOK THE PART, FRAME IN STYLE

Beautifully engineered, strong and safe, our display stands can also be used without the base for permanent floor mounting if desired meaning that limitless combinations and arrangements are possible. Further, some of our stands can also be fitted with a display header snap frame, lockable frames, edge lit light boxes, brochure holders and/or banner rails if required. The choice truly is yours.

DOUBLE YOUR EXPOSURE

Our display stands for indoor use have an optional solid steel base for added stability and are available in both single sided and double sided. The beauty of the double sided option is that it gives double the exposure, making your message stand out from the crowd.

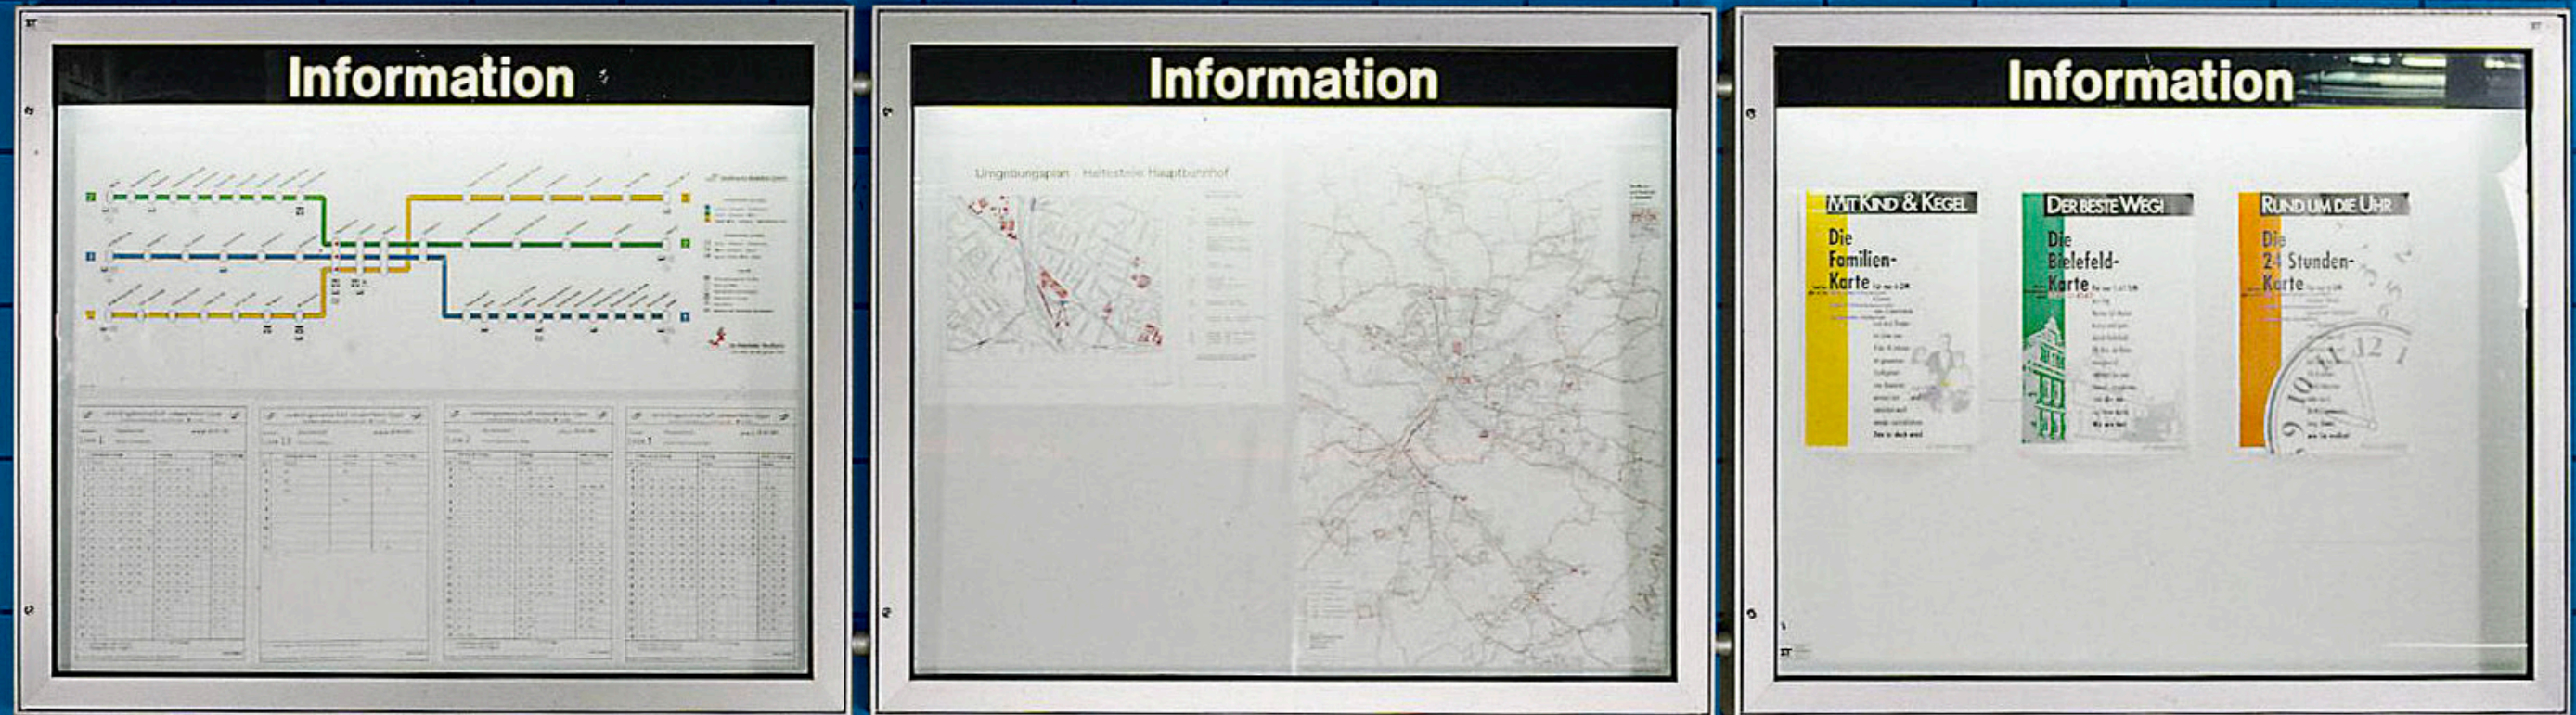

CUSTOMISE YOUR POSTER FRAMES

Want your menu to be bigger than normal but can't find a menu stand to fit? Relax, Snapper Display Systems can design and manufacture a display stand to your unique specifications. The only limit is your imagination.

NOTICE BOARDS

CUSTOM OR STANDARD - ANY COLOUR - ANY SIZE - ANYWHERE

T 1300 727 950 • E sales@snapperdisplay.com.au • W Snapperdisplay.com.au

Snapper Frames range of notice board, chalk board, cork board or pin board units are a fantastic way to post important announcements or messages at your business.

Whether interior or exterior, these noticeboards can be used at university campuses, schools, transport terminals and sporting arenas – in fact you'll find that our whiteboards, notice boards, chalk boards or cork boards are versatile enough to be used everywhere.

Our products are truly unique and our range includes wall boards that have a cork board surface, magnetic white boards, magnetic chalk boards and chalk boards that are used with liquid chalk markers.

GET YOUR MESSAGE NOTICED

It's fair to say that notice boards have come a long way from the plain old cork board stuck on a wall. Our polished designs and stylish features make our notice boards the sensible choice for your advertising needs.

LOCK IT UP AND LOOK AT IT

Designed to keep your posters and advertising material safe and secure, Snapper Display System's notice boards are manufactured from aluminium and feature lockable covers making them perfect for internal and external use.

MAGNETIC, PIN OR CORK

Manufactured to the highest standards, we invite you to choose from magnetic, pin or cork options – you can be sure that we have the style you need, depending on your requirements.

Our SlimLock notice boards are stocked in sizes from A3 to A0 and can also be purchased in sizes of multiple A4 pages, such as: 4 x A4, 6 x A4, 9 x A4 and 12 x A4.

We understand that sometimes you want to create something a little different, so if none of those sizes suit, you will be pleased to hear that we can design and create a customised notice board, just for you.

A-FRAMES

CUSTOM OR STANDARD - ANY COLOUR - ANY SIZE - ANYWHERE

A-FRAMES & SIDEWALK SIGNS ARE AVAILABLE IN MANY STYLES

With a wide range available, our variety of quality A-Frames are the perfect way to advertise your business. Coming complete with everything you need for outdoor use, our A-Frames draw customers towards your business, making them perfect for restaurants, retail stores, pubs, cafes, information centres, museums, community centres, universities, take-aways & more.

Manufactured to the highest quality, many of our signs enable customised graphics, meaning you can advertise exactly as you want. Further, some of the sandwich boards are also double-sided, making it easy to promote in multiple directions at once without taking up valuable pavement space.

Standout and get your message read with A-Frames & Sidewalk Signs

We understand that every business has different requirements and as such, our variety of styles let the personality of your business shine through.

Inexpensive, yet long-lasting, our displays are ideal for indoor and outdoor use, no matter the conditions making them the perfect solution for real estate and hospitality amongst many others.

STAND OUT FROM THE CROWD

Sidewalk advertising is a fantastic way to get your message out there. When placed strategically, A-Frame and sidewalk signs can create a huge amount of traction from customer foot traffic, literally bringing more people through the door, and as our signs are easy to use, it is simple to change your messaging as required.

CUSTOMISE YOUR A-FRAME

Snapper Display Systems A-Frames give you the choice of several style options, from traditional blackboard format to poster frames with extra snap frames on top, and we can even design and create new frames to your precise specifications. If you want something a little different, don't hesitate to contact us.

POSTER HANGERS

STANDARD - ANY COLOUR - ANY SIZE - ANYWHERE

T 1300 727 950 • E sales@snapperdisplay.com.au • W Snapperdisplay.com.au

HANG YOUR MESSAGE ANYWHERE

For many, poster hangers are the most popular means of displaying signs and posters. We stock a huge range of sign frames including items clip and snap frames, poster stands and floor signs, as well as acrylic poster displays, lockable or double sided poster frames and poster hangers.

Clip or poster hangers are a very popular advertising poster frame because they are so economical and easy to use! You simply clip the poster in the poster hanger holder and hang it in the best location. Stocking several sizes from 600mm wide – 120mm wide, we also offer generous volume discounts, so if you require large quantities, you'll pay wholesale clip frame rates!

THE ORIGINAL IS ALWAYS THE BEST

Our super grip and snap grip poster hangers are simple, easy to use and very cost effective. Reusable and durable, these poster hangers allow you to use posters of any length. They are available off the shelf, and can be supplied in kit form.

BLOWING IN THE WIND

Snapper Display Systems poster hangers can be wall mounted or suspended, depending on your requirements. The unique super grip systems can also be attached to windows with suction cups, allowing your posters to truly stand out above your competition.

DOUBLE IT UP

Double sided posters let you be seen twice as much! Just decide where you want to hang your poster for maximum impact, then relax as Snapper Display Systems take it from there.

FRAMELESS FABRIC LIGHT BOXES

CUSTOM MADE TO ORDER - ANY COLOUR - ANY SIZE - ANYWHERE

T 1300 727 950 • E sales@snapperdisplay.com.au • W Snapperdisplay.com.au

snapper
DISPLAY SYSTEMS

We specialise in the design and manufacture of backlit display solutions. Custom built to precise specifications with our brand new, state-of-the-art automated machinery, your signage will stand above the rest while minimising your carbon footprint with energy efficient LED lighting technology.

Our products are built to Australian standards and come with a 12 month warranty and a 30 day money back guarantee.

TAKE YOUR IMAGE TO THE VERY EDGE

Our Frameless Fabric series of light boxes, poster displays and display stands take advertising right to the edge. Our printed fabric posters are secured to the frame with the aid of invisible hidden silicone rubber beading making the display simple, economical and eco-friendly with a huge visual impact.

IN-HOUSE DESIGNERS

Our in-house designers will work closely with you to help you choose the right display system to meet your individual needs. We offer the perfect balance of made-to-order local or offshore production to meet costs and deadlines for a range of products.

LIGHT IT UP

From simple unlit frameless displays to edge-lit frames with light guide panels and LEDs, we have the product to suit your requirements. Our popular Frameless Fabric series is widely used in shopping malls, retail displays and exhibitions and features a range of profiles and single or double-sided options - The choices are endless.

WHY CHOOSE FRAMELESS FABRIC LIGHT BOXES?

- Our 'Frameless' design eliminates borders to give your message maximum impact
- Modern LED lighting technology delivers even illumination across the entire visual area
- Dye sublimation printing on fabric technique is an environmentally friendly graphic production, creating vibrant and stunning colours that can be reused and easily interchanged
- Graphics can be folded without creasing, saving you on valuable freight costs
- Installation can be carried out by the end-user, providing additional savings
- Our light boxes are built-to-order and come complete with smart accessories for both permanent installation and portable applications
- Single sided or double sided options make it ideal for every location

EXPERIENCE & ADVICE

First, we listen to your needs and guide you to the right solutions. It may be that there are easier and more cost-effective ways to accomplish your goals. That's why we need to fully understand your ideas, resources, and constraints. Then we recommend the right products in terms of aesthetics, functionality, location, and budget.

FIRST CLASS TRADESPEOPLE

Our staff are the best in their class when it comes to designing, producing and manufacturing high quality custom made light boxes or custom display solutions for your business.

FIRST CLASS RESULTS

Snapper Displays works with some of the best names in retail. Whether you have a small chain of stores, or a nationwide rollout, Snapper Displays has the expertise and experience to get the job done right.

Today, over 1500 active customers, domestically and nationally, trust Snapper Displays to provide customized signware solutions to help them succeed in store. They value our commitment to product quality and exceptional customer and as evidence they come back to Snapper Displays year-after-year

NO PROJECT TOO BIG OR SMALL

So while our products are designed to inspire, we are most inspired by you. We listen to your needs, your ideas, and your challenges, NO project is too big or small. We then feed your ideas and needs back into our product development process. If you can dream it, we can do it. That's why you can trust us to maximize the impact and value of your most important signware store displays. Snapper Display knows that every customer's needs and challenges are different, from large outdoor light boxes to small A5 snap frames, we don't offer the same solution to everyone. Instead, we use our expertise and industry knowledge to ensure that your program is a success from beginning to end.

FAST TURN AROUND TIME

From sign frames, ceiling systems, and LED light boxes to window displays, floor display stands and wall solutions, we have everything you need. Finally, we facilitate execution and compliance. We ensure your orders ship on time and to the right places, develop strategies to make it easier for store personnel to know how and when to assemble them, and provide responsive customer service. Snapper Displays is committed to your success. That's why offering great products is not enough. They have to be the right products for realizing your goals and your vision.
