

DESCRIPTION

A4 TO 10x3m

- Our standard Frameless Fabric Series Light Box for sizes ranging from A4 all the way up to 10x3m.
- The KD120 extrusion forms a 120mm deep illuminated light box frame
- Can be suspended, or recessed into a bulkhead for viewing from both sides or free standing, including retail wall space and trade show exhibition systems
- From the front the poster display is completely frameless
- Only a 120mm (depth) section of aluminium extrusion is seen from the side
- Image extends from edge to edge, covering 100% of the space used
- Different lighting technologies employed depending on display size
- Australian made light box
- Colour options include silver. Custom colours also available
